Las Vegas Nurses Honored for Inspiration and Innovation During CCCU's Fifth Annual National Nurses Week

[Las Vegas, Nev.] April 23, 2018 – Clark County's only state-chartered credit union for medical professionals is honoring local nursing professionals and students during National Nurse's Week on May 6-12, 2018. Clark County Credit Union (CCCU) is offering thousands of dollars in gifts and prizes to local nurses and nursing students for the fifth year in a row.

"Nurses are a big part of our credit union family," said Matt Kershaw, CCCU's Chief Executive Officer.

"We are once again celebrating Nurses Week to show our appreciation for nurses and their inspirational work in our community. We saw that first-hand following the shootings in Las Vegas when our nurses worked around the clock, inspiring us with their acts of selfless service. Our prize drawing is one way we can show our thanks for all that nurses do to help all Clark County residents."

From now through midnight, May 12, 2018, nurses and nursing students may enter to win one of several prizes at www.CCCULV.org/nurses. There is no purchase necessary and CCCU membership is not required to win. There will also be a photo booth in each of our branches with historic photos showing the rich history of nursing, along with current photos of our local nursing community.
