Clark County Credit Union is pleased to announce we are now part of the CO-OP ATM network, the largest credit union-owned ATM network in the United States. The CO-OP ATM network operates nearly 30,000 surcharge-free ATMs across the country for the benefit of credit union members. How convenient is that?

Anyone who has gone from place to place searching for an in-network ATM knows the value of more locations. CO-OP ATM network locations are found in credit union branches, supermarkets and 7-Eleven® stores, as well as a multitude of freestanding locations like Costco. Simply put, they're everywhere and they are always surcharge-free for Clark County Credit Union members.

The CO-OP ATM network isn't just bigger; it's better. It's designed strictly for the benefit of credit union members-no collecting fees in order to turn a profit and no making money at your expense. Because credit unions and the ATM network they support are owned by members, the dividends (convenience, free access) are yours. It's the largest surcharge-free credit union ATM network on the planet-and it belongs to you.

To find the surcharge-free CO-OP ATMs in your neighborhood, visit the [ATM finder](#) or download the CO-OP ATM LOCATOR app on your smart phone.

Online Banking Tips: Making Loan Payments

Here are two quick tips to help you make loan payments with the new CCCU Online Banking system:

1. Navigate to Transactions

When making loan payments in our new online banking system, first navigate to Transactions and then select Loan Payment. You can then select "Regular Loan Payment" to pay the minimum amount due.

To make increment payments, or amounts less than the amount due, choose the regular payment option and enter the desired amount. Your payment due amount will be updated accordingly.

2. Add Additional Principal

To pay down additional principal on a loan, you can schedule a second payment choosing "Principal Only Payment" in the drop-down box. This option should be selected if wanting a payment applied directly to the principal balance only and not towards the payment amount due or a future payment. This option is not available for credit cards or overdraft loans.

If you have questions about making a loan payment online, please review the online banking guide in the Help section or contact our Service Center at 702-228-2228.
