## **Two CCCU Employees Complete Credit Union Compliance Expert Certification**

[LAS VEGAS, Nev.] – May 28, 2021 – Two Clark County Credit Union (CCCU) employees, Alicia Hardin and Brittany Arima, were recently recognized for completing their Credit Union Compliance Expert (CUCE) Certification.

With the credit union movement’s regulatory burden greater than it has ever been, the need for compliance expertise is tremendous. As official CUCE’s, they are now a part of a community of nearly 2,000 compliance professionals who took the initiative to achieve mastery of the fundamental compliance challenges credit unions face.

Keri Bach, Director of Compliance at CCCU said, “I am thrilled for Alicia and Brittany both completing their CUCE certifications. They will continue to use their extensive compliance knowledge to tackle issues for the benefit of the credit union and its members.”

Not only have Alicia and Brittany increased their professional knowledge, but they have also proven their commitment to excellence in the field.
