Clark County Credit Union on the Forbes Best-In-State Credit Unions 2022 List

[Las Vegas, Nev.] June 21, 2022 — Clark County Credit Union is on the Forbes Best-In-State Credit Unions list for 2022, one of only three credit unions from Nevada to make the cut. This prestigious award is presented by [Forbes](#) and Statista Inc., the world-leading statistics portal and industry ranking provider. The awards list can currently be viewed on the [Forbes website](#).

Forbes and Statista identified this year's Best-in-State Credit Unions based on an independent survey of approximately 26,000 US consumers who were asked to rate credit unions at which they have or previously have had checking accounts.

"We are extremely proud to be named as one of only three credit unions in the state of Nevada to receive this acknowledgement," said Matt Kershaw, President and CEO of CCCU. "We're committed to our members' financial wellbeing and pride ourselves in our ability to provide financial benefits and resources to help them accomplish their financial goals and dreams."

The results of the study led to 171 unique credit unions receiving rankings; this is out of 5,041 credit unions across the US that were included in the survey.
